THOROUGHbred PAC  
PO BOX 65116 .

**Response Due Date**  
**11/23/2012**

IDENTIFICATION NUMBER: C00425439

REFERENCE: JULY MONTHLY REPORT (06/01/2012 - 06/30/2012)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Schedule B supporting Line 23 of your report discloses one or more contributions to a candidate(s) for the 2012 Primary election; however, the funds were disbursed after the election date(s) (see attached). Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign. (11 CFR §§110.1(b)(3) and 110.2(b)(3))

If any apparently impermissible contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If the contribution(s) in question should have been designated for debt retirement, you should amend your report to indicate "debt retirement," along with the year of election.

If you have made an impermissible contribution, you must request a refund or provide a written authorization for a redesignation of the contribution pursuant to 11 CFR §110.2(b) within 60 days of the treasurer's receipt.

If the foregoing conditions for redesignations were not met within 60 days of the treasurer's receipt, your committee must obtain a refund. (11 CFR §103.3(b)(1) and (3))

Please inform the Commission of your corrective action immediately in writing

and provide a photocopy of the refund or redesignation request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding this impermissible activity, your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

**2.** Schedule B of your report discloses an in-kind contribution(s) designated for the general election, but made before the primary election (pertinent portion(s) attached). In-kind contributions of equipment, such as computers, with a long-term useful life (e.g., an election cycle, or perhaps longer) are similar to contributions of money and may be designated for elections beyond the next election, provided the contributor designates the contribution as such in writing. A contribution of this type of equipment is distinguishable from in-kind contributions that are used only for one particular election, such as non-exempt contributions of food or beverages consumed by primary election day workers, or printing or mailing costs related to general election events or fundraisers. Please amend your report to include a description of the nature of the in-kind contribution(s) in question. If the in-kind contribution(s) on your report does not have a "long-term useful life", it may constitute an excessive contribution(s) for the primary election (see Advisory Opinion 1996-29).

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.

If you have made an excessive contribution, you must request a refund or provide a written authorization for a redesignation of the contribution pursuant to 11 CFR §110.2(b) within 60 days of the treasurer's receipt.

If the foregoing conditions for redesignations were not met within 60 days of the treasurer's receipt, your committee must obtain a refund. (11 CFR §103.3(b)(1) and (3))

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund or redesignation request sent to the recipient committee(s). In addition, any refunds should be reported on Schedule A supporting Line 16 of the Detailed Summary Page of the report

covering the period in which they are received. Redesignations should be reported as memo entries on Schedule B of the report covering the period in which the redesignation is made. 11 CFR §110.2(b)

Although the Commission may take further legal steps, prompt action by your committee to refund or seek redesignation of the excessive amount will be considered.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1169.

Sincerely,
